Doctor and Hospital Administrators

Dear Doctor or Hospital Administrator:

The old axiom "a bird in the hand is worth ten in the bush" certainly applies to the health insurance industry. For some unknown reason it is an acceptable practice to expect doctors and hospitals to wait 30 to 60 days, sometimes even longer, to receive payment for services rendered. This practice has led to the increased cost of doing business -- the "ten in the bush" philosophy -- accounts receivable.

U.B.I.T. wants to put the "bird in your hand" with a new program; a QUICK PAY SYSTEM. The Quick Pay System puts a check in the mail or in your hand within 48 hours of receipt of an eligible claim. When a Quick Pay Voucher is attached, U.B.I.T. will pay the payable amount of the claim less 10%. In the event the claim is not paid within 48 hours the full amount of the payable claim will be paid.

The Quick Pay System is an effort by U.B.I.T. to eliminate handling costs and increase your cash flow. If you have any questions, or need a supply of the Quick Pay Vouchers, please call U.B.I.T. today. We look forward to serving you.

Sincerely,

George Varanakis  
Chairman  
U.B.I.T. Board of Trustees
